Sir:

Applicants submit herewith patents, publications or other information, of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR §1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

The citations listed on the attached Supplemental Information Disclosure Statement (Modified Form PTO-1449) and listed herewith may be material to the examination of the above-identified patent application. Therefore, Applicants submit these documents in compliance with the duty of disclosure as defined in 37 CFR §1.56, §1.97, and §1.98. The Examiner is requested to make these citations of official record in the present application, as follows: U.S. Patent Nos. 4,676,274; 5,834,314; 6,130,098; EP 0693560 A2 and WO 00/22436 A1.

A copy of the PCT International Search Report dated July 14, 2003 from a counterpart application is enclosed. Legible copies of all items listed in Modified Form PTO-1449 accompany this information disclosure statement. Cumulative patents or publications identified in the attached PCT Search Report are not enclosed.

I hereby certify that each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the statement. 37 CFR 1.97 (e) (1).

The person making this statement is the attorney who signs below on the basis of the information in the attorney's file.

Respectfully submitted,

By:
